- **NEWS RELEASE - Update In Relation To Gatherings and Demonstrations On Huron Church Road At The Ambassador Bridge (Link to News Release posted to social media and published on the Windsor Police Service Website)**

On January 29, 2022, a Freedom Convoy involving those who identified as long-haul truck drivers arrived in Ottawa from across the country to protest vaccine-related border mandates imposed by the Federal

Government. This mandate requires that truckers who cross the Canadian border in the United States to be vaccinated. The demonstrations have expanded to calls to end all COVID-19 vaccine mandates and gained traction, including more recently in Windsor, along Huron Church Road at the Ambassador Bridge.

The Windsor Police respects the rights of Canadians to exercise their freedom of expression and peacefully assembly. All members of the general public, road users, residents, businesses and international travelers also have the right to a safe environment. With that, we recognize the need to balance individual rights and freedoms with the need to maintain public peace and order. This is why our focus is on maintaining open communications with organizers of the demonstrations and using a reasoned, tempered approach, including the appropriate use of police discretion to guide our police personnel's responses.

The Windsor Police Service has a large police presence monitoring the demonstrations along Huron Church Rd. These activities have interrupted normal vehicle traffic flow but we have been able to continue a limited amount of access to the Ambassador Bridge. Officers are on scene addressing traffic points, public safety and enforcement. Commercial vehicles are being redirected to the Blue Water Bridge in Sarnia. The Detroit-Windsor Tunnel remains open to non-commercial vehicles. Please avoid the area, use alternative routes and monitor our social media for updates.

The Windsor Police Service has maintained communications with main organizers but we want to urge those involved in illegal activity not to endanger members of the public or first responders, including police personnel, and jeopardize public peace. Those found committing crimes and acts of violence will be investigated and charges will be laid. This includes enforcement of traffic related offences and investigating any criminal acts. This also includes police personnel considering waiting for a lower-risk opportunity to arrest offenders rather than inflame a situation.

Chief Mizuno states "We understand the concerns of our citizens and we share those concerns. We want to reassure the public that we continue to actively engage with and monitor these demonstrations. We will maintain the peace and public/ traffic safety."

The Windsor Police Service would like to thank the public for their patience during this disruption.

- **NEWS RELEASE - Message to Demonstrators from Windsor Police Service**
(Link to News Release posted to social media and published on the Windsor Police Service Website)

The Windsor Police Service wants to make demonstrators clearly aware that it is a criminal offence to obstruct, interrupt or interfere with the lawful use, enjoyment, or operation of property. The offence itself is known as mischief to property.

The unlawful act of blocking streets at and near the Ambassador Bridge is resulting in people being denied the lawful use, enjoyment and operation of their property and causing businesses to close down.

We are providing notice that anyone blocking streets or assisting others in the blocking of streets may be committing a criminal offence and must immediately cease further unlawful activity or you may face charges. You could be arrested if you are a party to the offence or assisting others in the direct or indirect commission of this offence.

Vehicles or other property related to an offence may be seized. Once a vehicle is seized, it may be detained and, following a conviction, possibly forfeited.

Charges and/or convictions related to the unlawful activity associated with the demonstration may lead to denial in crossing the USA border.
